At that time the cast will be given librettos, rehearsal schedules and important information concerning rehearsals and the production. There will also be a read through of the entire show. Congratulations to the cast and see you there! If you have questions, please call Portia Ezell at 522-6009 or 522-1995.

We would like to thank each person who took the time and had the interest to audition for our production of willy wonka. We had 87 audition for the show, and as much as we would have liked, we could not cast everyone who tried out. If you auditioned and were not cast for the show but would still like to be involved as part of the production team, please contact Portia Ezell or Paul Fourshee.
